March 14<sup>th</sup>, 2016

Dear Parents and Families,

Great teachers never fail to check student work because they know effective feedback is one of the greatest tools for learning. In order for 102 to continue improving and exceeding expectations, we also need feedback from our families to learn more about the areas we need to focus on next year and beyond.

The **NYC Learning Environment Survey**, attached here, is a tool for all schools across the city to receive feedback from families. We ask you to take a few minutes of your time to complete it and return to us by **Monday, March 28<sup>th</sup>** and share with us your thoughts. We have one of the hardest working staff in all of New York City, and positive feedback is a great way to show them your appreciation.

We are grateful for your time, and a **\$15 Olive Garden gift certificate will be given to every student from the class first to return 100% of the surveys**. Additionally, any class with at least **90% surveys returned by March 28<sup>th</sup> will win an ice cream party**. Please make sure to seal the envelopes before returning the surveys, and any surveys mailed directly via the post office will not count towards winning prizes.

You may also complete the survey online in English, Arabic, Bengali, Chinese, French, Haitian, Creole, Korean, Russian, Spanish, and Urdu. If you would like your online survey to count towards winning prizes for your child's class, **you should attend the survey workshop from 2PM to 4PM on Tuesday, March 22<sup>nd</sup> in the school library**. Please speak with our parent coordinator Yanil Rodriguez at extension 2402 if you have any questions.

More important than ranking in the **top 5% in Math** and the **top 16% in ELA** for all of New York City, our students graduate 102 as genuinely kind and good human beings. They are the results of strong and relentless parenting, and we thank you for your incredible partnership in supporting student success.

Please do not hesitate to ask to meet with me if you have any concerns; I'd love to hear from you.

Sincerely,

William Ko, *Principal*
